

Topic

How does weather affect us?

Stop and Think!

Brainstorm:

Wind- fly a kite, keep you cool, blow your hair, blow seeds

Fog- hard to drive, can't see far, good for hide and seek

Sun- swim, go to the beach, get sunburned

Rain - Plants growing, good for fish, fills lakes

Severe weather -Destroys property, hurts people

Snow - Play, make snowman, ski, sled

T- _____

1- _____

1- _____

1- _____

C- _____

Weather can affect us.

Weather can affect us in several ways.

S N

Q SS

How does weather affect us?

Since I'm learning about weather I know it can affect us.
